

POINT COOK FOOTBALL CLUB

Vision

To be the Football Club of choice in the Western Region of Melbourne.

Mission

The prime objective of the Point Cook Football Club is the development of junior football and footballers. To this end we will provide within the Point Cook area a junior football programme that prepares young footballers both physically and mentally for senior football.

Our principal philosophy is the provision of a safe and supportive community based environment, which encourages skill development, fitness, fair play and teamwork.

Values

- The physical and emotional safety of players is paramount in all that we do.
- Whilst success on the field is important so are the concepts of fair play, teamwork and team spirit.
- Whilst we encourage the support of parents, family and friends, there is no place for the “ugly parent syndrome” within the Point Cook Football Club. Abuse of players (of any team) umpires or other officials will not be tolerated. Adults are expected to set a good example for children.
- Point Cook Football Club is a local club run for the benefit of local children. We will respect the boundaries of other football clubs and expect that they will respect ours.
- The administration of the Point Cook Football Club will be professional, transparent and fair; all duties will be carried out honestly and with integrity.
- We will care for the environment in which we play both home and away.
- We will be part of the community in which we play and to this end co-operate and support other sporting clubs where possible.
- Point Cook Football Club believes in fair and equal treatment for all persons involved with the club.
